INTERNSHIP COMPLETION CERTIFICATE

This is to certify that P Nandu Kumar has successfully completed Cloud Computing. Project-led internship program at SkillVertex, which began on January 05th,2024, and concluded on February 05th,2024.

The program encompassed a wide range of topics, including cloud computing architectures, cloud deployment models, virtualization, containers, cloud security, and related topics. scripting, database integration, and other related fields. The candidate demonstrated a deep understanding of these concepts and showcased the ability to apply them to real-world problems.

During the program, the candidate actively participated in all training activities, including lectures, discussions, assignments, and projects. The high level of engagement and critical thinking skills were consistently evident, resulting in outstanding performance throughout the program.

This comprehensive program ensures that participants not only grasp the theoretical aspects but also gain hands-on experience through practical applications. The candidate excelled in both areas by successfully completing various tasks assigned during the program, contributing valuable insights during discussions, and delivering high-quality projects that reflected a solid command of core concepts and techniques of the field.

As such, the candidate has met all the requirements set for the training & internship program and is hereby awarded this certificate of completion.

We wish the best and hope that the knowledge gained through this program will enable the candidate to excel in professional growth.

Issued on February 05th,2024.
